

Fireside Red (2020)

Winemakers Notes:

Fireside Red is a non-vintage, DeChaunac-based red blend. The blend from the 2020 harvest is 65% DeChaunac and 35% Cayuga White. This wine is for someone looking for sweet and fruity.

Vineyard Notes:

Historically, Hosmer Winery was founded on wines made from hybrid and native grapes. Early on vinifera became a part of the portfolio with the addition of Chardonnay and Riesling in the vineyard. Fireside Red is a tribute to the diversity of our vineyard.

Tasting Notes:

Sweet red fruits on the nose and candied raspberries on the midpalate. The finish is rich and full-bodied, carried by rich cherries and strawberries.

Harvest Date: October 2020
